PRYOR, TENN., JUNE 1, 1901.

Dr. E. W. Hall, St. Louis, Mo.—Dear Sir: I have suffered several years from kidney and bladder trouble and have tried a number of preparations, but can truthfully say that nothing has proved so effective as your Texas Wonder, which I can truthfully recommend.

GEO. W. CLAIRBORNE.

A TEXAS WONDER.

One small bottle of the Texas Wonder, Hall's Great Discovery, cures all kidney and bladder troubles, removes gravel, cures diabetes, seminal emissions, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in both men and women, regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1. One small bottle is two months' treatment and seldom fails to perfect a cure. Dr. Ernest W. Hall, sole manufacturer, P. O. box 620, St. Louis, Mo. Send for testimonials. Sold by all druggists.

Chas. M. Dell of Hague, one of the leading young men of that place, was in the city yesterday, and took an active part in celebrating Gainesville's victory in winning the location for the State University.

Dr. C. F. Dawson, the eminent veterinary surgeon who is to be consulting physician at Spring Park Farm, is now at his post of duty and will make his headquarters there until his family arrive from Baltimore, Md., where he will take up his residence in this city.

T. R. Pickett of Newberry was in the city on business yesterday. He is a member of the firm of Pickett & Son, manufacturers of lumber, who own a fine plant at Duluth, near Newberry. The plant is closed for the present, owing to the scarcity of timber, and the probabilities are that the firm will secure a new location. Mr. Pickett states that "things have been tolerable" at Duluth for the past few days. Immediately following a shooting last Saturday night, in which a negro was seriously wounded by another, there was a marriage, Robert Hamilton having made Amelia Scott happy by taking her unto him as a wife. All parties are colored.

F. H. Herrin of Marianna was in the city for a few hours yesterday. Mr. Herrin was formerly of Micanopy, where he was engaged in the naval stores business with F. S. Osteen. He is still interested with Mr. Osteen, but is also conducting a profitable business of the same character at Marianna. He has at his Marianna farm eleven crops, employing sixty men. He is well pleased with that section, which he declares to be the most prosperous he has seen for some time. The people of Jackson county are progressive, and expect soon to begin the erection of an \$85,000 court house at Marianna, the county seat, which will be the finest building of the kind in West Florida. While here Mr. Herrin had his name enrolled on The Sun subscription list.
